Detective Shultz,

We are a local real estate firm that believes in saving our clients money. With that mission in mind we are now offering a program called Heroes Home Advantage. The HHA program gives our Heroes, and the FOP is a Hero to all of us, 25% of our commission when they buy a home. We also partner with a local lender and title company that also participate in the program, and thus the savings for our Heroes are multiplied. The program is simple. When you hire us to help you purchase a home, you receive the bonus. There is no catch, and no limit on the amount of bonus a Hero can receive. To enroll a member simply registers on our website and indicates they are a member of the FOP. We would appreciate the opportunity to present more information at your next meeting. If you have any questions in the meantime please feel free to give me a call.

Thank you for your time and service.

Sincerely,

Adrian Young, Realtor
