

## POLICE MAKE MERRY AT ANNUAL BANQUET

Sixty-Five Members of Red  
Rose Lodge Celebrate Sec-  
ond Anniversary

### BUT SPEECH IS BARRED

The second anniversary of Red Rose Lodge, No. 18, Fraternal Order of Police was celebrated yesterday afternoon when one hundred members and friends of the city police department sat down to a most sumptuous chicken dinner in the basement of the Breneman building. The feature of the afternoon was the presentation of a fountain pen to past president David Trapnell by John Lindeman.

Owing to the exacting nature of the seven-day-a-week-24-hour-a-day work of the city's guardians of law and order, the dinner had to be arranged in several shifts. But shortly after 2 o'clock, sixty-five were seated at one time at the banquet board. The culinary activities were under the supervision of Caterer Henry Goos. Turtle soup was followed by heaping platters of roast chicken and all the side dishes of vegetables and salads that make a perfect meal. This was topped off by copious helpings of ice cream, coffee, lemonade and cigars.

During the meal, Ed. Stumpf operated the piano a quartet composed of Roy Kreider at the piano, John Baker, Maurice Kineard and Dana Hbas rendered several popular vocal selections which were greeted with thunderous approval.

#### Huber's Speech Barred.

Sergeant "Stoney" Huber had prepared an elaborate oration to deliver in commemoration of the occasion but unfortunately by common consent after dinner speeches were tabooed in favor of cards and billiards.

The committee that planned the banquet was composed of Detective Bauer, chairman, Charles Aument, John Blair, Charles Welsh, Henry Smith, Jesse Brown, Hunter Erisman and John Klehl.

The Fraternal Order of Police is a benevolent, fraternal and social organization. The present officers are: President, Howard Bradycamp; vice-president, Harry Kopp; secretary, Charles F.
