

Given Hike This Year

At the start of 1954, police and firemen were given increases of about \$300 per year and all other non-elected workers were given \$222 a year increase. Hourly workers got a boost of five cents per hour at the start of the year.

The requests on behalf of the police department were given to the mayor by a committee from Red Rose Lodge, Fraternal Order of Police.

In today's conference, the firemen were represented by Capt. Edward G. Deatruck, Lt. John Allwein and Lt. Edward Schaller.
