

City Lawmen Cite Dr. Clime

City police paid tribute to Dr. Gilbert N. Clime, Lancaster deputy coroner, at a meeting of the North Lancaster Kiwanis Club at the Stockyards Hotel Wednesday night.

Detective Luther Henry, who spoke on "Shoplifting," made a surprise presentation to Dr. Clime of a life-long membership to Red Rose Lodge 16, Fraternal Order of Police. They also presented him with an emblem for his car, for his "many years of untiring service" in working with the Lancaster Police Department on coroner's cases and other matters.
