

## Lodge Building Moved To New City Location

A building which will serve as the home of Red Rose Lodge No. 16, Fraternal Order of Police, was moved through the east side of the city Monday afternoon to a lot it will occupy at Engleside. Low hanging trees and electrical wires in the area of Lehigh Avenue and Broad Street snagged the house several times.

The building was moved from the old Pensupreme property in the northeast section of the city. Police assisted in diverting traffic while the truck carrying the building passed through the city.
